Thank you for a great start to our school year. We are loving our new facility. Nothing comes without bumps, but we are settling in well.

Please remember as you drop off and pick up that left hand turns into and out of our driveway are not allowed. Also, please do not attempt to pass or go around a vehicle that is in our line. Some of our children are very small and take extra time. Please be patient.

Please also keep in mind that ankle and no show socks are NOT ALLOWED. Your child must have on crew socks or knee socks.

We will be getting out at 12:00 on the 15th of October. That is Sulphur High School's homecoming and a parade will roll in front of our school around 2:00. If you are there, see if you can spot any of our Tigers!!

Report cards will go home via email on the 19th of October. If your child is in PreK or Kindergarten, they will receive a hard copy.

In Christ,
Hank Douglas
