CHRISTMAS BREAK!!!!

Dear Tiger Parents,

We have almost made it through the first half of our school year!! This has been a much better year than last year.

As we approach January, I'd like to make you aware of some changes with registration for our new 2022-2023 school year. You will be required to upload a copy of your student's birth certificate, social security card and immunization record. You will not be able to proceed with registration without those items. I am hoping that you will be able to look for those things now, rather than be in a panic when registration gets here. Another change for this year will be that Mrs. Katy is setting up a "Registration Station" at the school. You will be able to come in and have someone help you through the registration process if you need to. You will also still be able to complete this process from home if you'd like.

I hope that you all have a wonderful and blessed Advent season and that your homes are filled with the joy of the Christmas season.

Hank Douglas
