Principal's Corner

Dear Tiger Parents,

I hope that you all had a wonderful holiday break with your families. I am so excited to be your principal for the remainder of this school year. The entire staff and I cannot wait to work our hardest and finish this school year strong.

Believe it or not, it is time for registration for the 2022-2023 school year. Mrs. Katy is setting up a REGISTRATION STATION in the office for those of you who would like someone to help you with registration. The station will be open from 8:30 – 2:00 each day. You will have to have a copy of the student's birth certificate, social security card and recent immunization record. Unfortunately, even if you have turned these items into us already, you will have to have them again.

Returning family registration will be turned on from January 10th at 8:00 am until January 21st at 3:00 pm. The registration fee for all returning families is \$250 per student. On January 21st at 3:00 pm, we will turn registration off. It will not be turned on again until February 7th when the registration fee will increase to \$300 per student and all available seats will also be open to the public.

We would love to have you back with us next year. Please don't miss out on the opportunity of the smaller registration fee and not having to register against the public for open and available seats.

Yours In Christ,
Nichole Tanner
