Wear a green shirt with uniform bottoms.
- 23- Mass @ 9:30
- 30- Mass @ 9:30

Principal's Corner

Dear Tiger Families,

While I find it crazy to already be issuing a newsletter for March, here we are! This time of the school year is, however, very exciting. It is with great gratitude that I share the news of remaining the principal of Our Lady's School for the 2022-23 school year. My administration team and I have already begun and are more than ready to bring our school to its limitless potential! Again, thank you all for the support and love you have shown through this time of transformation.

I would also like to thank you for your noticeable efforts in the mornings. Our morning drop-off line is almost always finished by the 7:45 tardy bell, and the ones arriving soon after have graciously understood the need to park and sign their child(ren) in. This small conscience act from all has made a huge impact with our teachers being able to get started with instruction right away!

Our annual Family Fest with OLPS is back!! Shirts are on sale starting at the beginning of this month, and students will be allowed to wear these shirts with uniform bottoms on Tuesdays for the rest of this school year. As a reminder, Friday spirit shirts are allowed on Fridays, and Thursdays are reserved for Club Day...meaning any club/class/sport shirt may be worn with uniform bottoms. All students should be dressed in full uniform on Mondays and Wednesdays.

Our Covid restrictions are continuing to lessen. We have recently been able to welcome guests to our weekly Mass, as well as our recent pep rally. This "normalcy" has been so good for all! We will remain alert and cautious with the well-being of all our students and faculty. Any student testing positive is asked to remain at home for the five-day quarantine. If your child is considered directly exposed by a family member at home or from someone at school, we ask that the child remain at home to quarantine if any symptoms should occur. Asymptomatic students are encouraged to come to school wearing a mask for the next five days. As always, any questions or concerns can be addressed to the front office.

Yours in Christ,

Nichole Tanner

FamilyFEST
