ILLNESS POLICY

Please know that we want nothing more than for your children to be at school. However, if they have been sent home from school for fever or vomiting, then they may not return until 24 hours after the time that they exhibit symptoms.

We are going to enforce this policy to keep all children and faculty as healthy and well as we possibly can.

Thank you, families, for a successful donation drive for our firefighters and emergency response personnel. What we took to the fire station was used almost immediately. Thanks to BETA for sponsoring this drive!

Please remember that there are NO LEFT HAND TURNS allowed out of our driveway.

Please DO NOT PASS another car in our car rider line.

We have children who load and unload on the driver side of the vehicle.

Mass Schedule

Wednesday at 9:30 am is when our weekly school Mass is scheduled. There are no check ins or check outs from 9:15 - 10:15. Please plan accordingly.

We do not have the staff at school to walk the children to and from the church.

We are unable to accept anything larger than a \$20 bill at the gate or concession for any sporting event.
